The University Schools Trust (UST) is exceptionally aspirational for the young people it currently serves, and we are deeply committed to extending our work in order to have an even greater impact on educational outcomes for young people.

The Facilities Department at St Paul's Way Trust School is looking for a full-time Senior Premises Officer to start ASAP.

This is an exciting opportunity for an energetic and enthusiastic hands-on person to join a small, but very productive team who are fully committed to making a difference to our students and staff.

The successful post holder will support and deputise for the Facilities Manager and be a key team player in strengthening the facilities management provision at the school. We are seeking a person who has experience of supervising and motivating people and experience in FM is essential.

Hours of work will vary according to the rota system.

For more details of the post, please see the Job Description and feel free to contact our Facilities Manager, Matt Thrift, for an informal chat.

If you would like to play your part in delivering outstanding provision for our Trust and students, we would very much like to hear from you.
